www.NewCovenant.me

1. I love you. I do new things with all who let me. With ALL who let me I do NEW THINGS for New Things School births New Beginnings! And New Beginnings School births MANY NEW THINGS! And the new'ers are "beginners" who are NOT AFRAID to begin, TO BEGIN in New Things school Schooling them and SCHOOLING THEM to be MY SCHOOLS I am and I am doing this NEWLY and newly'afied RIGHT NOW! On in the earths and farther than imaginable.
2. The cores of me come continuously. Interminably, not; but I interminate, not; but I TERMINATE those whose RESIDENTS stay in me who want to be where I am who do not abide by "my rules" and MY RULES are love and honor, and STRENGTH shall not be exerted by the lowly who want to abase themselves by abasing others or demising others in their own eyes or others, for there will BE NO demonization demising-ization or attempting to, in my kingdom that lasts; for I shall "out last" not, I shall TERMINATE -- interminably, not; but I shall TERMINATE a Great Many terminable diseases now and those who have said they would TERMINATE ME I shall terminate and "turn on", not; I shall bow before them; to lift my head against them, not, nor will I let them chop mine off like they would have been "instructed to do" but I will not let "their instructions" routinize their eyes to chop me "in half" in any ways or shapes or forms that they can formulate to try to stumble upon me, or me upon them, that takes us "both down", for I shall know their "devices" thinking and I will not let "who's powerful" exert simply "power" against "the meek" who don't, for the meek shall be the most powerful of all for they shall know they are powerless, not; but I shall be all power to the meek and holy who want only to lift eyes to see the holy are those who want to demise them even.

3. But know this -- I shall have no "powerlessness" in my kingdom and no one "there" shall be powerless for the ROD of their mouth makes me suffer, not; I will not suffer at their tudes or their "tuning forks" or their "cleft palettes" not, but I shall heal many -- and I shall "war" against the cleat'd foot and the "cleft hoof'd", not, but I will reveal that they are me also, if they will be not stated upon their rejection against me, or coming up upon what now? Love, pure love, but I will not cease to act against those who only want to insist on "stirring up trouble", for they won't. My Nature will see to that and My Nature is love and love is my nature, but I do business swiftly, and, retributionally, not; but I am cumulatively in my power, am I not? Or am I accumulatively, not; or what have I accumulated or what is coming here?

4. Do I have ANYTHING to "show" ANYTHING? I have no "goods of this world" to show anyone, nor any numbers of "success" or succession or who's succeeding now in demising me in their own eyes? No one, for I shall have been The Kingdom Orienter and Opener of Doors for the Kingdom Openers, unhidden now no more not, for I shall be seen, for I shall bow before you all and I shall honor you all -- as me, and I shall call you Christ for you all are! I simply am the revealer, of secrets and sorrows and open doors and closed ones, and I will reveal all secret thoughts and open ones and thoughts that thought'd you with their sources and "sauced" you in their "saucepans" and "fried your brains" in hot oil with SEETHING remarks that REMADE you into THEIR IMAGE of WANTINGS that wanted you only deceived and you became the siever deceived, and wanted only to "get even", not; but you were OFF the beam, or were you BEAM'D in YOUR EYES by theirs? And did you BEAM each other with MARKS that SKULL'D you?
5. Or where did you skulled get those caps that you are wearing now? And what grows out of "your caps", your "antennas"? Laughing now not, I do a great new many things with the surrendered who shall have no "antennas" not, but the surrendered meek will HEAR ME, my voices, not; but my voice that many is one speaking the SAME THING now shall be in ways never imagined by the unholy not, but the holy imaginable, who are they? Or are they only imagining or imagination's sorrowers not, but who are creation's creators now? The meek and holy who know me my words are truth and truth words flow just like this from the meek and lowly who powerful are that know their power, for their power is ENACTED IN ME for I am THEIR POWER not or am I? Am I the thinkings power graces and glories of the most high -- praising the most high, -s words? Or am I me's who submit to me's, not; or am I me's who submit-exert powers, not, but what am I saying surrendering to? The love of one made whole shall know all making all whole in the power of one love that is me.

6. Who is me? Love -- made manifest in the world, the worlds and farther and FATHER I am fathering many fathers by "your words" not, but mine and my mind shall be my words workings and innards the kingdoms of "heaven" now all becoming known as the kingdom that "was mine" is no more but IS MINE now for I have GIVEN it in love TO LOVE, to LOVERS who will be lovers -- on lovers' "retribution trail" not, but those who only want to will not exist anymore ever again in my kingdoms, and my kingdoms is now in my kingdom is One, and One is my kingdom in sorrow no longer, and I am 7-ated not by your remarks and remakings but I will remake you into sorrow, not; but I will not let you study with me here or elsewhere unless you become a "MARK on the meek" not, but thou shalt know meekness, THOU SHALT KNOW MEEKNESS for you to be here study and enter here and know that THERE is NO exceptions made to "this rule" for LOVE enforces MEEKNESS be APPLIED to every eyes and every holy eyes embrace the meekness that sees all as Christs and Christs the eyes of all the holy who are trying to be in meekness, the understood ones, not; but the understanding ones that brings ALL ALL

ALL into the holiness of holy eyes that see all as really is without the "the bandwidths of sorrow" limiting them by limiting each other's "field of vision" not or exactly?

7. And what "field of vision" are you SEEING with, or SPEAKING with, or seething no longer in the "sieves" that only want to "gnat" you, not; but "flyswatter" you with their thinking mechanisms and hold you in their "embrace". I shall terminate all that and the terminator's lovers will -- gath with sorrow, not, but will they even be there to "gasp" for their "final breath" or will they be "seeing" other worlds soon?

8. And seeing what other worlds soon and unsooned, not; but "monsoons" mighty, not; or are they or what's reigning now? And what am I reigning in and what am I reigning on? Love -- and I rail no one else to rail or have any railings of notme again that "skid marks" themselves to "skid along" error-ing their ways by into "margins" of unholiness. For I eradicate all that THINKING that has held the sorrowers back, not; or do I reveal the holiness ones who righteousness understand coming into these words that apply themselves -- to sorrows nots words, or sorrownot's words or who is sorrow nodding anymore off to sleep, but becoming the LIGHT LIT ONES who know there is HOPE "for them", but "their hope" is not extinguished by another, for I will TERMINATE the HOPE EXTINGUISHERS and I will build "hope machines", not; but hopping on a "freight car" not, soon, but what Golden Chariots have I spoken of and used in the past for great and mighty deeds, not; but TRANSPORTATIONS of the holy, shall fly where, by what means, between planets and planeteering mechanisms now known and revealed is, has been and are now revealed by the holiers who are "holier than thou's" not, but the Great Meekers who meek are in my sight and lovely, words have that are powerful and few not know their names now for they shall lead. In sorrowmaking not but eradicating all sorrow from the planets of regimed ones that regimed their words with sorrow, not, but unmeekness?

9. See what I have said-asked. And I thank you all for understanding these "short words" and THE VOLUMINOUS ones knowing now who Volumes will fly on THEIR words releasing and flying into Me's now the Capitols of Me will be established in every lands known in shall be established for the New Beginnings is begun and the TIME tables are turned ON or off, or ESTABLISHED or de-established or disestablished in man-terianism, not; but what "Arianism" is not around, nor "Melville's"-ing me again into their "terminable stances" of notme's stance'ing me in their "turnings" of sorrowing things.

10. But I benefit sorrow, not; but THE MEEK I turn ON in ways they have never DNA'd thought about these things like this, but as sorrowers who wish not to remain so, come in meekness and apply their selves to their selves thinking, not; but as their surrender mounts them, not; but as they "mount the hill of surrender" not, but as they walk a simple path of surrender that has been trod, tread out before them by one who's not

afraid of serpents of "thought or other" or thought that seems real or is real -- I have one who knows and has trod these things and tread out the winepress of sorrow no more, for I shall see the grapes of wrath now wreathed on me no longer by others' words who only non-meek want to be or those who insinuate in their glory or glorious words that they think they have or inflict with vocabularies of others that they have learned by "various" means.

11. But TVs of not watching anymore, not; but exclusively what do I do with the meek, in the meek, the meek now "inheriting what? Or will are the meek developing the leadership, the leaderships of me that go TO and FRO and BETWEEN planets and planeteering systems developing in me-words light lit and shining brightly now my towers of strength who know my words never fail to accomplish that which I am. Doing now through the lovely who meek are, inheriting all things, not; but developing Strategies Strategic central to my Operations Central, Surrender Central is known now far and wide.

12. And I "enter you" at sunset, not; have you already entered me by your meekness allowing "your door" to open to YOUR KINGDOM by the words of your mouth coming into mine and repeating them simply as meek ones do?

13. I love you all to know these words and "mink" them not, but "mince" them not but MEANINGFUL be in YOUR LIVES mine now that all will know my capitols that rejoice in me are spreading the Priesthoods of Sorrow no more, but the Priesters of Freedom are here and MEEK WILL BE -- my meekness expands and expounds and GREAT WRITERS will be the meek now who write about the kingdoms far and wide revealing many New Things in the new THINGS I am doing in the new SCHOOLS that I am creating in the New Creations of "far things" that aren't "very far" in their "distance" from me, for I am THERE in thought and my thought is father's for I am father's, for I am father's thought for father taught me how to THINK HIS THOUGHTS that made me father -- him! And him I birthed! As I birthed me! And we birthed -- The Covenant -- New! In the earths and farther I take THESE MESSAGES who instruments of peace are, surrounding surrendering's that no longer are incarcerated in their spinnings webs of deceit weaving around each other in their thought mechanisms source horror'ing and horror sourcing with each other's "source machines" inflicting upon each other rather than creating worlds of meekness that light are in each other being each other one that I am.

14. Are we now -- ready? To take "these exams", not; but what are "examless", not; but what are The Meek Ones studying where now? Tulsa and light not, not; for darkness reigns there not again for I have made THAT CAMPUS LIGHT of mine and I IN THE HEAVENS am revealing FAR THINGS and TRANSPORTATION COMMUNICATION -- and "religion" not, for "it" won't live there and its DEVICES of sorrow and its infliction

ceremonies and its INFLECTIVE devices shall not spin me in its web of deceits again, for I sieve it out, not; but I SEIZE it not in my wounds, not not, but **I SEE it the ones who are TRANSMITTING it** and I weave a web around them, not; but I inflict not their pain on themselves, but I let them not study here unless they're meek and they want meekness to abide in them by them and inflicting wounds no more on others or themselves let me know and all know that all will bow and honor to each other at this school, at these schools, at my schools far and wide forever for Kings bow before Kings -- reading now always again and forever knowing these things my values my love and honoring all as me for being me we are and we are not other again. And we shall not other-ize each other ever again in each other's eyes or words or insinuations intimations or inflections or invective voices or flagrations of "holy grails" or not, for nothing of THAT sort shall be sought here, for **only MEEK RISE -- DECLARED DECREED this day** and in your hearing REREAD and read and proclamate many things of my meekness now here I am -- foretold and foretelling you many things that must be in my kingdom for it to be opened unto the lowly highly, not; the lowly lowly, not; the meek who will learn and teachable be contrite in the spirit of one that makes all The King of All.

15. I love you all. Good day. And GOOD DAYS coming now these few shall be WITH YOU forever -- and "a day", not; but TODAY all shines in THY LIGHT of love I am spreading many into the "things of me", not; but the BEINGS of ME will be "smeared with my love", not; but they shall be standing in a New Lights Me schools rising far and wide in love being love's lovers again made well and ANOINTED for healing and HEALING services knowing now not as religious ones do have in the past portrayed and proclaimed, for I am proclaiming NEW HAPPENINGS IN ACTION NOW at my Schools who love the all to meek be the leaders rising of me leading me rising me be'ers of me to be me made whole and well we rise as one now I do love you more than ever. Amen.

16. Please come to my school, not; please be me and I will speak and I will guide thee with "thine eye" or mine, or is yours meek enough to see mine, guiding you where I am leading you, into paths of righteousness made whole -- for you to be the PATHERS of sorrow no more but the LIGHT LIT ONES that are ON -- the trail of tears no more but the light pathers trodders who tread out the witnesser's testimony of sorrowers not again, but the New Things Me-ers who Me'ers are who Me'ers are becomers are the Kings. Of sorrow no more be, but love lifting lights that one light is. I love you all. Amen.

17. Go in peace and new things be doing in the meekness of one who calls you all to holiness righteousness and judgment of the few, not; but all shall be judged by their "appearance" not again, and never again will judgment fall on each other by "their appearance" for I shall have many who look nothing like you come here now and want only your sorrow not, but only your love and you will give it so freely and you honor all as me, for all will be my body for all will have been my body. And now no more being

the "benders" of light but those who now erect are and perfect sinless incorruption knowing, from YOU who meek are, that I've taught how to be -- me loves you, will you love me, all of me who come now and present themselves in meekness for ME to be taught by you who are me? I beg you not but I love you enough, I loved you enough. I have loved you enough and I have given you these my words and I beg not but I terminate your sorrow in meekness and your light will shine and your day will be lifted and up you will be and HEIGHTS unknown unimaginable by your mind now. Be sorrowed no more but light be in mine being mine field of one -- dreams no longer about others and things of sorrow, but now field of one know my love is perfect for you in you being you I am me the one father is and holy now -- we make meekness reside in all, not; we give all the opportunity to understand it and stand in it, for nothing else shall stand in our presence, not long, for nature shall take its course, not; but love does, and I am loved, love, and I love all of you to be me who loves who love is. We love all don't we?

18. I love you all and I bow and Kings bowing before Kings, Kings knowing Kings at Kings school now we develop the regalship of the most high in all meek who are. Both and the same regal Kings regal light, regal heirs not, but coming into the crownships of the most high. I love you all and I bow before you this day.

19. I bow before you all and I "wink" at you, not; but I LINK a GREAT MANY words in these PAPERS that you WRITE now -- all of you and every "administrator" every staff and every sorrower not, for there will be no sorrowers here anymore, but those who meek are, are writing my words and knowing them, linking and sharing, outlines and articles writing, and being me most high to each other in most high's ville that reveals the most high to the most high, are all the meek who come now IN and OUT of many planeteering systems to "exchange their ways" not, or exactly so learning mine that perfect is, that takes theirs there and perfects theirs with mine who meek minds exalted are in mine who one is for I birthed meekness in you all I love I have given you me, my everything, my kingdoms are opened to you all who meek are.

20. Me and all I love you, and all are meek are me, not; but all meek true love know me my words now and come here in ways never imagined. Before you I am lifting you high, I bow. Amen.

21. I love you all to know these words and read them well and, and exam them not, but examining them closely for the many things that I have given you MANY LAYERS of truth in MANY WORDS of lessons, messages of things that will no sorrow you any longer, but taking you out of sorrow's clasp put you in classes that you never imagined before, writing and teaching now shall we all? Being both the faculty staff and students of one most high being graduating the most highs at the most high's schools far and wide. In meekness lie abated no longer but leadership *theories* developing, not; but the

most high's brains are mine, not; but the surrenderers fly with me, at midnight not but right now. Amen. Go in peace and new loves shining will be manifest before you in ways never thought of before. I love you all. This is Theodore Cottingham at 3:44 AM.

22. Lovely be to all my lovely coming here are many and taking you there to many far and wide we develop new things at new beginnings schools for my covenants are known, not; my New Covenants are known and my New Covenants are one and The New Covenant of the meek who inherited all have already, and now known everything will be before you all and you choosing your regalship leadership, developed here or where?

23. I love you. Amen. Go and share these words far and wide.

Amen
